

# CONTENTS

Volume 6, Issue Nos 1-4

## Issue No. 1, MARCH

Geomorphic Estimates of the Stability of a Uranium Mill Tailings Containment Cover: Nabarlek, Northern Territory, Australia: S. J. Riley . . . . .	1
Mapping Environmental Carrying Capacity Using an Artificial Neural Network: A First Experiment: J. K. Lein . . . . .	17
Condition of Rehabilitated Coal Mines in the Hunter Valley, Australia: D. Dragovich and J. Patterson . . . . .	29
Nature, Extent and Severity of Soil Erosion in Upland Scotland: I. C. Grieve, D. A. Davidson and J. E. Gordon . . . . .	41
The Early Performance of Deciduous Trees Grown in Acidic Minespoil Ameliorated with Pulverised Fuel Ash: P. V. Perkins and A. R. Vann . . . . .	57
BOOK REVIEW . . . . .	69

## Issue No. 2, JUNE

Erosion and Soil Productivity in Australia and New Zealand: H. E. Dregne . . . . .	71
Human Activities and Their Impact on Land Degradation—Psilorites Mountain in Crete: A Historical Perspective: G. Lyrintzis and V. Papanastasis . . . . .	79
Soil Degradation in the Tropical Lowlands of Santa Cruz, Eastern Bolivia: R. G. Barber . . . . .	95
Reclamation of Degraded Cocoa Lands Using <i>Albizia zygia</i> : G. J. Anim-Kwapong and Z. Teklehaimanot . . . . .	109
The Effect of Leaching and Irrigation on the Growth of <i>Atriplex semibaccata</i> : A. J. De Villiers, M. W. van Rooyen, G. K. Theron and A. S. Claassens . . . . .	125

## Issue No. 3, SEPTEMBER

Effects of Livestock Farming and Recommendations for Management and Conservation of Páramo Grasslands (Colombia): R. G. M. Hofstede . . . . .	133
Landscape Changes as Visible Indicators in the Social, Economic and Political Process of Soil Erosion: A Case Study of the Municipality of Puebla de Valles (Guadalajara Province), Spain: J. D. Perez, C. Charlton and P. M. Ruiz . . . . .	149
Influence of Mineral Fertilizers and Different Soil Types on Nutrient Leaching: Results of Lysimeter Studies in East Germany: R. Meissner, H. Rupp, J. Seeger and P. Schonert . . . . .	163
An Approach to Land-Use Planning in a Hilly Watershed Using Geographical Information Systems: J. Adinarayana and N. R. Krishna . . . . .	171

Gully Erosion Associated with the Expansion of Terraced Almond Cultivation in the Coastal Sierra de Lujar, S. Spain: H. Faulkner . . . . .	179
Book Reviews . . . . .	201

*Issue No. 4, DECEMBER*

Land Evaluation and Conservation of Semiarid Agrosystems in Zaragoza (NE Spain) Using an Expert Evaluation System and GIS: J. Machin and A. Navas . . . . .	203
The Influence of Parent Material on Soil Fertility Degradation in the Coastal Plain of Tanzania: A. E. Hartemink and E. M. Bridges . . . . .	215
Soil Degradation by Erosion of a Typic Hapludalf in Central Ohio and its Rehabilitation: A. Changere and R. Lal . . . . .	223
Soil Factors Affecting Tree Growth on Former Opencast Coal Land: J. Scullion and K. M. Malinovsky . . . . .	239
Agroforestry Developments and Potential in the Brazilian Amazon: N. J. Smith, T. J. Fik, P. de T. Alvim, I. C. Falesi and E. A. Serrão . . . . .	251
LACONEX: A Rule-based Implementation to Advise on Plot-level Land Conservation in Vilathikulam, Southeastern India: C. S. Balachandran . . . . .	265
BOOK REVIEWS . . . . .	285
ANNOUNCEMENT . . . . .	287
AUTHOR INDEX . . . . .	289
KEYWORD INDEX . . . . .	291
VOLUME CONTENTS . . . . .	iii
